

# Dining Ad Packages

Forgotten Coast *Living!*

## Target Audience Reach

Connect directly with locals and visitors who dine out and support the community.

## Affordable Visibility

Newspaper ads are cost-effective compared to digital only campaigns, with strong local ROI.

## Highlight Specials and Events

Promote happy hours, brunches, seasonal menus, or live music to draw traffic.

## What We Offer

For just \$199/month, your business will receive a 4x6 ad and a 2x10 ad in our monthly publication. If you provide a dining review article, we'll publish that as well. All ad files must be delivered in the correct sizes and print-ready format.

## Additional Services

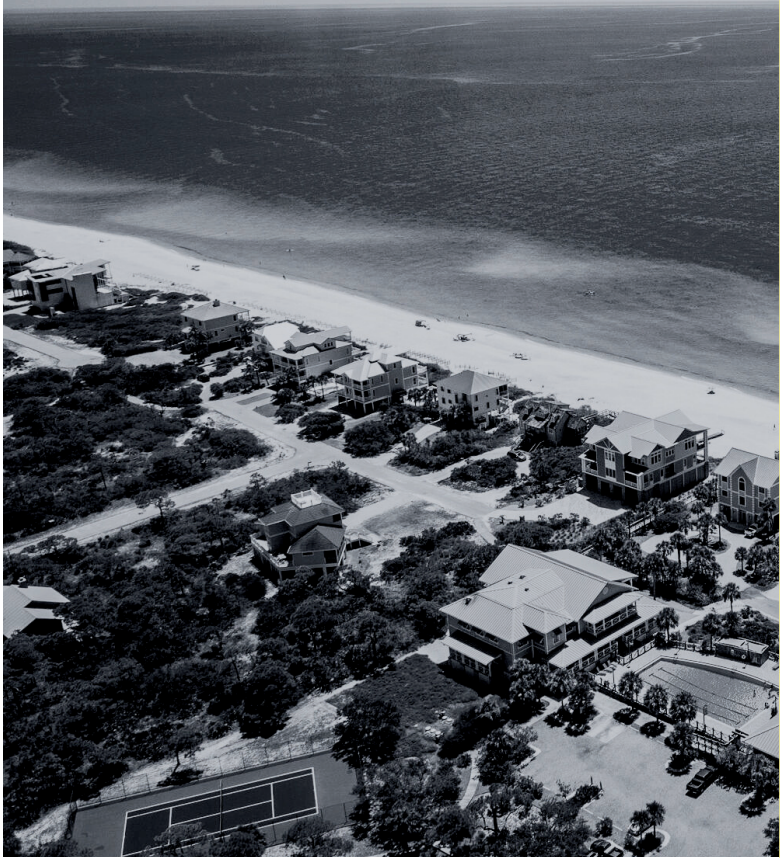

We also offer à la carte design support. If you have an idea, we can turn it into a polished, print-ready ad for the paper. You'll also receive the ad file to use for your own marketing and promotions.
